*We're sorry this pandemic keeps us  
farther apart these days.*

*We want you to stay safe, so for your health  
we stay away.*

*But please don't think you're forgotten  
or even possibly loved less;*

*You're more treasured, important, meaningful  
than you could ever guess.*

*If you're ever tempted to feel lonely,  
if tears ever fill your eyes,*

*Remember the Spirit that binds us all—  
His Love never, ever dies.*

Praying you feel the warmth of God's presence,  
the peace of trusting Him,  
the Hope of His promises,  
the comfort of His Love,  
and the joy of His blessings this season.

*Merry Christmas*

*Happy New Year*

*With Love and Prayers From  
First Baptist Church of Clinton*
